His Way

Now with the Def Jam imprimatur, Prinya 'Way' Intachai talks with B. Magazine about his new album, DaBoyWay, and his continued development as an artist

"My life goal has changed. I wanted to try it on Billboard, I wanted to tour the regions, I wanted my songs on international charts, but most of all, I wanted to take Thai hip-hop overseas. So with help from Paulie Sirisant, managing director of Universal Music Thailand, I packed my bag and flew to America last year to discuss possibilities with a couple of different record labels over there, before finally settling with Def Jam."

DaBoyWay, Universal Music (Thailand)

His Way

It's indeed a big step up for a Thai artist on the international stage. Def Jam has been globally recognised as one of the very best in cutting-edge and quality hip-hop music for 35 years. Pioneered by iconic acts like The Beastie Boys, LL Cool J and Public Enemy, today Def Jam is the home of many global superstars, particularly Justin Bieber, Jay-Z, Rihanna and Kanye West.

"I was born in New Jersey and spent most of my childhood years in Brooklyn. Hip-hop and music from Def Jam were definitely parts of me growing up. So after 20 years as an independent artist, working my way up, it's been a real honour and a privilege for me to be part of this legendary record label," he said.

DaBoyWay, Universal Music (Thailand)

A good portion of the album was written over the course of 10 days during early 2019, when DaBoyWay set up a writing camp in which he rented Karma Sound Studios in Chon Buri, and invited songwriters, musicians, rappers and producers to meet and share ideas. Artists like Violette Wautier, Big Calo, Twopee Southside, Radio3000, Younggu, Diamond, FIIXD and Young Lyxx from San Diego, with two American producers and many others, were all there with the purpose of creating music together. The unique songwriting session resulted in more than 20 tracks of solid music, with some titles eventually included in DaBoyWay.

สัมภาษณ์ DABOYWAY กับบทบาทใหม่ในฐานะ ศิลปินเดี่ยว ความรับผิดชอบ ความซื่อสัตย์ และ ทีมนิวยอร์ก ไจแอนท์

ย้อนกลับไปเมื่อ 19 ปีที่แล้ว ในใจกลางมหานครนิวยอร์ก เด็กวัยรุ่นไทยสามคนผู้มีความฝันเหมือน

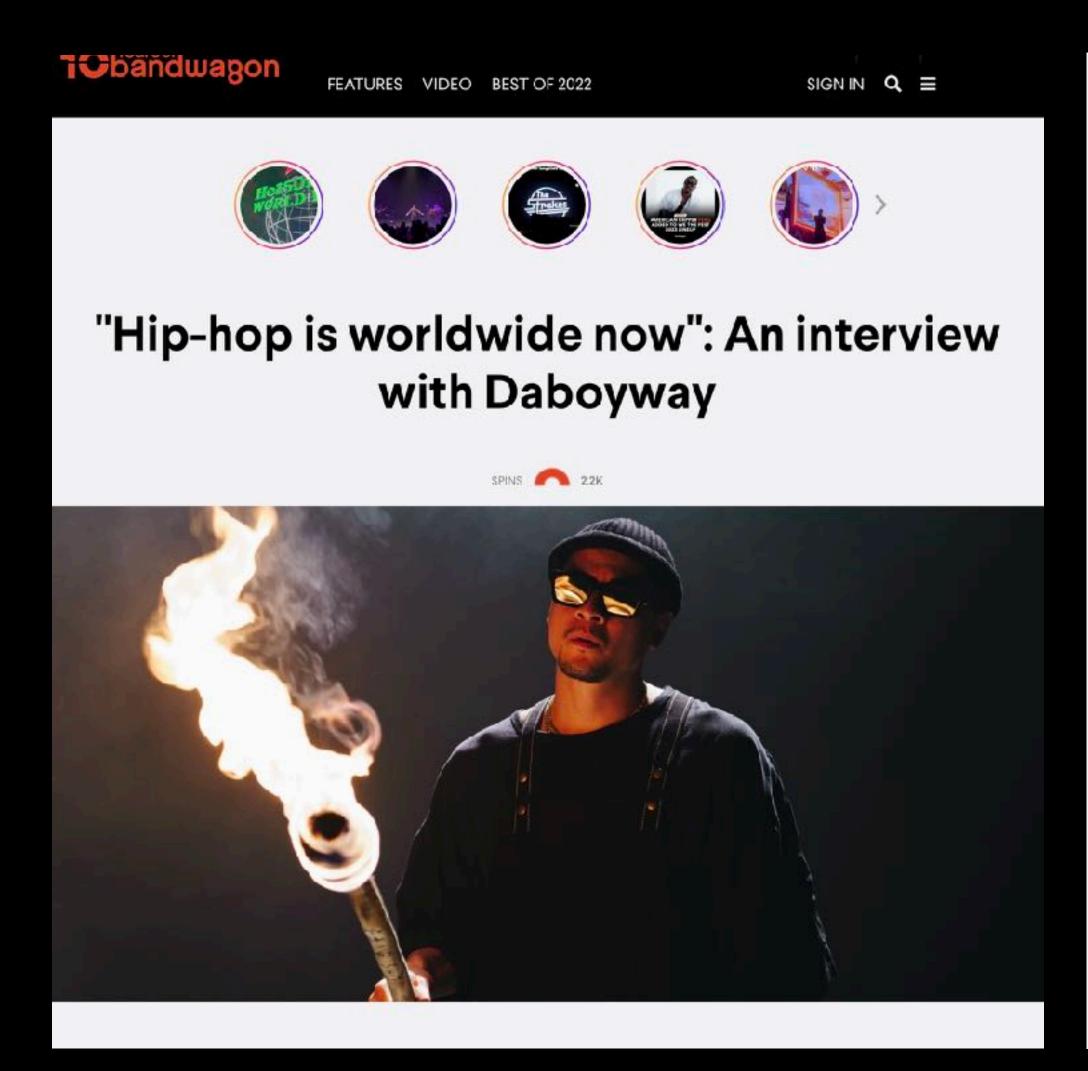

เวย์: วันนี้คือวันที่เราภูมิใจแล้วดีใจ แล้วก็ขอบคุณที่เราได้ทำในสิ่งที่เรารัก เราชอบ และวันนี้ก็ยังได้ทำอยู่

The: People: ฝากถึงเด็กที่อยากจะเป็นแรปเปอร์ หรือกำลังเดินอยู่ในเส้นทางนี้

เวย์: พยายามเป็นคนที่เปิดรับตลอดเวลา อย่าเป็นน้ำเต็มแก้ว มันไม่ง่าย แต่ว่าอย่าหยุดทำ ทำไปเรื่อย ๆ อะไรก็แล้วแต่ จะเป็นแรปเปอร์ จะเป็นนักตีกลอง จะเป็นช่างภาพ แค่คุณจงทำมันต่อไป การทำมันคือ การฝึกเข้าไปในตัว สิ่งที่คุณจะได้จากมันคือตัวคุณที่ดีขึ้นกว่าเดิม ส่วนอะไรที่มันจะเข้ามา คุณแค่เข้าใจ ว่ามันยาก บางทีผมเองก็ท้อ แต่แค่ทำต่อไปอะไรมันก็จะทำให้ดีขึ้นมาเอง เดี๋ยวมันก็จะมีคำตอบว่าเราทำ ไปเพื่ออะไร

kids were coming up to us and asking, "Yo, where can we buy it?".

So, we pressed a thousand, then 5000 and then 10 000.

We were like, "Wow, there's a market". At first, hip-hop in Thailand was non-existent. When I first went in in '96, there was a handful of people you knew and listened to regardless of whether they were from the States and they were mostly international kids.

You have a unique vantage point as an Asian-American hip-hop artist. Do you still think it's a borrowed culture?

'POGO' DABOYWAY & MARK B

Thailand's Thaitanium has been cooking since they made their big comeback, and one of the main reasons for that is DABOYWAY doing so much dopeness. He killed it with 'Cake Diet' a year ago, and in 2023, his video 'POGO' is the best video of the year. It combines everything that makes a video good in 2023 – a thumping track, booties in every direction, warp-speed edits, and lyrics that make viewers want to watch it over and over again. RUN THOSE NUMBERS UP!

LiFTED caught up with DABOYWAY in Bangkok to ask him about 'POGO.' He said, "I've been following Dembow for a while and just wanted to make something like that. Ricky Luna, ALCOVER, Maxx Gallo, and JayB1 got the beat right and someone said let's get MARK B on it. I went down to the Dominican Republic to film the video, and the track went crazy."

LiFTED LiSTS: Best of 2023

Music videos are the currency of Hip Hop artists today. If an underground artist hits a few thousand views on YouTube, they are starting to bubble. If an MC hits a milli, that's big time. As soon as the view counter starts veering toward multiple millions, that's a superstar in the making for sure.

This year was a monumental year for Asian Hip Hop videos. Countless artists used their creativity to blast their songs and visuals out to their fans. With amazing artists like DABOYWAY, Jessi, RAMENGVRL, Emiway Bantai, and more putting out extravagant work, it was tough to pick an order, but we looked at numbers, vibes, creativity, and listened to the word on the streets to present the best videos of 2023.
